6-13-21

President John Wolf called the meeting together at 11:00am on zoom
Present: Don, Sheri, David, Joyce, Ali, Carl, Denise, Dennis, Laurie, Bing, and Diane
Absent: Betsy, and Carol

Minutes from the June Unit meeting were unanimously approved.

Treasurer's report was presented by John and unanimously approved. The only expenditure for the month was annual \$50 fee to state.

The next topic, bridge education called "Planet HOOL" was introduced by Dennis who offered an overview of progress to date. Dennis indicated the online teaching program was proving to be helpful and was able to include a wide range of participants from children to adults and from beginners to more advanced players. Currently there are two free sessions per week, two hours in length. New groups start every 3 months. Don agreed to introduce this new learning option to the EBC members at the next F2F bridge session. Anyone interested in obtaining more information, can contact Betsy.

The final topic centered on planning the date and time for the F2F unit bridge game. A major issue is selecting a regular date and time for the unit game that does not interfere with current offerings. The discussion addressed a range of important concerns that led to the consensus that this topic be addressed again at the next Unit meeting.

Next meeting will be July 11th at 11:00am on zoom.
